Saving This Guide on a Computer

For Windows

Double-click the " ![My Computer icon] My Computer" icon on the Desktop. Select

the " ![CD-ROM icon] Document CD-ROM" icon and then click the right mouse

button and select "Open".

Double-click the " ![folder icon] Manual" folder.

Double-click the " ![folder icon] English" folder.

The " ![folder icon] Manual" folder and the " ![PDF icon] Top.pdf" file

contain the guide data, so copy these to the computer's hard drive

and keep them there.
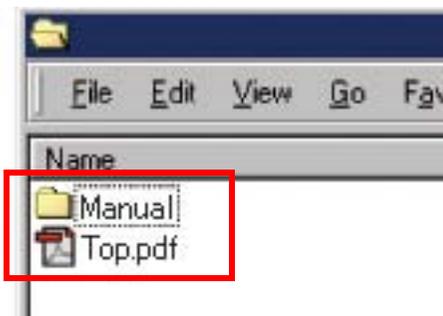

For Macintosh

Double-click the " ![CD-ROM icon] Document CD-ROM" icon on the screen.

Double-click the " ![folder icon] Data" folder.

Double-click the " ![folder icon] Manual" folder.

Double-click the " ![folder icon] English" folder.

The " ![folder icon] Manual" folder and the " ![PDF icon] Top.pdf" file contain

the guide data, so copy these to the computer's hard drive and keep

them there.
